

# Policy on Environmental Stewardship

Louisiana-Pacific Corporation strives to:

- Meet or surpass the requirements of environmental laws and regulations.
- Manage natural resources in a responsible and sustainable manner.
- Participate in research and partnerships that further our understanding of natural systems and promote conservation values.
- Meet, as verified by third-party audits, the principles recommended to foster multiple-use and the sustainability of world forest resources.
- Conserve non-renewable resources through efficient use and careful planning.
- Properly manage and minimize waste through pollution prevention programs.
- Fully account for environmental considerations in corporate planning, policies and decision-making.
- Continuously improve environmental programs and employee awareness.
