About LP

As a proven leader in high performance building solutions, LP Building Solutions manufactures uniquely engineered, innovative building products that meet the demands and needs of the building industry. Its extensive product portfolio includes durable and dependable exterior siding and trim systems, engineered wood framing and structural panels for single-family homes, multifamily projects, repair & remodel markets, light commercial facilities and outdoor buildings. LP also provides industry leading service and warranties to help customers build smarter, better and faster. Founded in 1972, LP is a global company headquartered in Nashville, Tennessee, and traded on the New York Stock exchange under LPX.

2019 Net Sales

\$2.3 billion

Culture

Each aspect of our culture helps shape who we are at LP.

Vision: To Be a Leading Building Solutions Company

Purpose: Building a Better World™

Mission: To provide an innovative and sustainable portfolio of high quality products that help customers build beautiful, durable homes and structures while our shareholders build lasting value

Values: *Do the Right Thing Always*—
Trust • Respect • Urgency
• Transparency • Honesty

Leadership Principle: *Think & Act Like Owners*—Be Safe • Insist on Excellence • Innovate & Simplify
• Join Forces • Be Curious • Embrace Differences • Lean In, Speak Up • Have a Bias for Action

Products

LP manufactures engineered wood building products that meet the demands of builders worldwide. Its extensive offerings include innovative and dependable building products and accessories, such as the LP Structural Solutions portfolio (LP WeatherLogic® Air & Water Barrier, LP Legacy® Premium Sub-Flooring, LP® TechShield® Radiant Barrier, LP® FlameBlock® Fire-Rated Sheathing and more), oriented strand board (OSB), LP® TopNotch® Sub-Flooring, LP® SmartSide® Trim & Siding, LP® Outdoor Building Solutions®, and LP Elements® Performance Fencing. In addition to product solutions, LP provides industry-leading service and warranties. Since its founding in 1972, LP has been Building a Better World™ by helping customers construct beautiful, durable homes.

Sustainability

LP promotes sustainable forest management and responsible sourcing of wood. We are third party certified to the Sustainable Forestry Initiative® (SFI®) Forest Management, Fiber Sourcing and Chain of Custody Standards and the Program for the Endorsement of Forest Certification™ (PEFC™) Chain of Custody Standard. Our products are recognized in green building certification programs across North America.

Giving Back

At LP, we want to build strong relationships and support the communities where we live and work. Our teams share their time and expertise to help build strong communities. And we help where we're most needed by giving money, shelter and services to our neighbors, as well as enriching children's education and protecting the environment.
