

OUR FLOORS STAND OUT BY THE WAY THEY COME TOGETHER.

Bundle LP® SolidStart® Engineered Wood and LP Legacy® Premium Sub-Flooring and give every builder one systematic solution for sturdier floors.

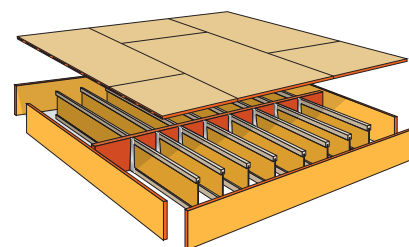

LP® SOLIDSTART® ENGINEERED WOOD

- LP SolidStart I-Joists are less likely to split, shrink, twist, warp or bow than sawn lumber
- LP SolidStart Floor Beams include the highest grade LSL on the market
- LP SolidStart Rim Board is precision cut to match I-Joist depths

LP LEGACY® PREMIUM SUB-FLOORING

- One of the strongest, stiffest sub-floorings on the market
- Resists moisture and provides exceptional fastener holding, made with Gorilla Glue Technology®
- Qualified by APA Product Report® PR-N127

Our engineered wood products are built to deliver reliable, strong solutions and are backed by our Lifetime Limited Warranty. They're designed to outperform conventional wood because of consistently strong and more dimensionally stable engineering. The result: reduced waste, fewer callbacks, and happier homeowners.

Visit LPCorp.com for bundling options and full warranty details.

⚠ WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. For more information go to www.P65Warnings.ca.gov/wood.
