25-YEAR TRANSFERABLE LIMITED WARRANTY

1. WARRANTY COVERAGE

This 25 year transferable limited warranty is made to the original purchaser (“Purchaser”) of LP SolidStart OSB Rim Board treated with zinc borate (the “Product”); the original owner of the structure on which the Product(s) are installed; and to the next owner of that structure (together “Owner”).  - (ii) Meet LP’s Product performance specifications as a structural rim board in the building in which the Product was originally installed;
 - (iii) Resist termite damage affecting the Product’s ability to perform as a structural rim board; and
